About The VSO Chamber Series

The Vancouver Symphony Chamber Series was created by Dr. Michael C. Liu in 2010 to highlight the talents of some of the Northwest's brightest musical talents in an intimate setting. Since its creation, this series has featured many of The VSO's musicians, as well as other local artists. Each concert, the creative focus is to introduce our audience to different styles and compositions, that they might not already be aware. Proceeds from each chamber concert support The Vancouver Symphony. The 2013-2014 VSO Chamber Series will begin this fall.

About The VSO

Led by Music Director and Conductor Salvador Brotons, now in his 22nd season, The VSO has become a cornerstone of Southwest Washington's arts community, providing world-renowned classical music, promoting young musicians, and opening doors to classical music for young audiences through events such as the annual In-School concerts, Young Artists Competition and various family-styled special events and performances. With a full-sized professional orchestra of over 70 core members, many of whom are teachers in our school districts, the orchestra provides our region with a multi-concert classical season every year. The VSO performs at Skyview Concert Hall, 1300 NW 139th Street, Vancouver. Season support for The VSO is provided by Sterling Bank and All Classical 89.9.
